

Maëlle Chollet

4th-year Engineering Student - Efrei Paris

Immersive Technologies & Artificial Intelligence Major

Seeking an internship in immersive technologies (VR/AR), 3D development or video games - 5 months, November 2, 2026 to March 28, 2027

Academic Projects

WebAR

- WebAR experience built with A-Frame and AR.js
- Marker tracking (Hiro + custom marker), reactive DOM UI driven by markerFound/markerLost events

Web3D

- Interactive 3D web scene with A-Frame (Three.js) and real-time physics
- Rigidbody controller with ground raycasting (Cannon.js) and orbital camera in spherical coordinates (lerp)

FlappyBird

- Flappy Bird clone under Unity (2D, Rigidbody2D)
- State machine, object pooling, high score system

RunAndGun

- 2D action-platformer game under Unity
- Melee and ranged enemies, projectiles and HP wired to a reactive UI

Education

Engineering School - Efrei Paris Panthéon-Assas

Since sep 2023

- 4th year, Immersive Technologies & AI major - Efrei Paris
- Event coordinator for the swimming team + coach
- International exchange semester - **ESSCA, Budapest (S5 - 2025)**
- Preparatory cycle - Efrei Bordeaux

General Baccalaureate - Lycée Pierre Emile Martin, Bourges

- Honors (Mention Bien) 2020 – 2023

Professional Experience

Methods Department - AC Concept

Jul - Aug 2025

- Laser programming, technical documentation for clients

Sales - Jardiland

Jan 2025 - Internship

- Merchandising, shelf stocking

Parts preparer - AC Concept

Aug 2024

- Part assembly, bending, deburring, sheet metal rolling

Order picker - Catinaud Majuscule

Jul 2024 - Fixed-term contract

- Order picking, pallet wrapping, rack restocking, delivery round preparation, school deliveries

Maintenance Worker - AC Concept

Jul 2023

- Cladding cleaning, aerial work platform operation

Design Office Drafter - AC Concept

Jun - Jul 2022

- Drafted plans for wastewater treatment plant hatches (Suez client) using SolidEdge

TECHNICAL SKILLS

Programming

- Python
- Java
- C
- C#

3D / Immersive

- Unity (2D/3D/VR)
- WebXR/WebAR

LANGUAGES

Français	Natif
Anglais	B2

QUALITIES

Autonomous
Motivated
Creative
Curious
Team spirit

INTERESTS

Competitive swimming (15 yrs)

- Interregional level
- French University Championship participant

Running (3 yrs)
Trail - Bourges/Sancerre 56km

BF1 - swim coaching certification
